Dear Bob:

I wanted to thank you and your firm for the dedication and successful construction of three new office buildings within our MeadowPark development in Northbrook. Throughout the course of the project, The Missner Group displayed a high level of professionalism, dedication and commitment to quality. We were also impressed how your team worked together to find solutions to overcome challenges during the course of construction.

As you know, our two major tenants, Bright Horizons Daycare (12,600 SF) and Lurie Children's Hospital Patient Care Facility (18,000 SF) are thrilled with the results and are both experiencing great reviews from their clients and employees. Our third building (16,200 SF) is under strong consideration from several other service firms who are drawn to the same attributes. We were impressed with how all of these projects were executed with quality, care and attention to detail. Throughout the construction of the three buildings, we also appreciated the open communication and availability from you and Bill Uchyn.

We highly recommend The Missner Group to others and look forward to working with you again soon. Thank you for your professionalism and expertise. It was a pleasure working with you.

Very truly yours,

CUSHMAN & WAKEFIELD
