**THE MISSNER GROUP ADDS TWO NEW MEMBERS TO CONSTRUCTION TEAM**

(Skokie, Illinois) – The Missner Group is pleased to announce that the firm has recently hired two new team members including Project Manager Jack Sbertoli and Superintendent Phil Larsen.

Sbertoli brings more than eight years of experience in commercial real estate construction to his new position with The Missner Group. As a project manager Sbertoli will be directly responsible for preparing estimates and proposals; bidding construction trades, awarding and issuing subcontracts; and managing all phases of construction. He will also actively participate in the design/build process with the firm's clients as well as architects and engineers on a broad range of projects. Previously employed as a project engineer with McShane Construction, Sbertoli has completed projects in the industrial, food-processing, healthcare and multi-family markets.

Sbertoli is a graduate of Marquette University in Milwaukee, Wisconsin where he achieved his Bachelor of Science degree in Civil Engineering. He is active in several professional and civic organizations including the Associated General Contractors of America Builders Association and the U.S. Green Building Council. He also volunteers for the Greater Chicago Food Depository and actively supports the Rock for Reading organization. Sbertoli currently resides in Chicago.

The firm's new superintendent, Phil Larsen is a 35-year veteran of the construction industry. In his new role, he will be directly in charge of daily construction operations including the management of field staff, subcontractors and suppliers. Larsen will also provide on-site coordination and management of the construction process. He was previously employed as a field superintendent with Summit Design + Build. Prior to beginning his career in the industry, Larsen completed a four-year apprenticeship with the Washburn Trade School of Chicago.

"We are pleased to welcome Phil and Jack to our construction team," said Glen Missner, principal of The Missner Group. "They bring valuable experience to our project management and field teams which will further enhance the high-level of service and commitment we provide to our clients."
