**THE MISSNER GROUP COMPLETES REFRIGERATED
EXPANSION FOR USDA FACILITY IN CHICAGO**

(Skokie, Ill.) – The Missner Group is pleased to announce that the firm has completed a significant expansion on behalf of Berkshire Refrigerated Warehouse, LLC. The warehouse facility is located at 4550 S. Packers Avenue in Chicago.

The Missner Group was selected by Berkshire Refrigerated, a private, cold storage warehouser, to construct a 14,000 square foot addition to the existing property. Built from structural steel and insulated metal wall panels, the new construction features a 3,000 square foot USDA boxing room, 11 new dock positions, and a 3,000 square foot office mezzanine. The space utilizes a joint-less concrete flooring system as well as vertical lift dock equipment with integrated truck restraints. The Missner Group also finished numerous site and landscaping improvements.

Glen Missner was the principal overseeing the project on behalf of The Missner Group and Drue Stoehr was the firm's project manager. Cornerstone Architects, Ltd. provided architectural services.

The Missner Group, headquartered in Skokie, Illinois, provides comprehensive and integrated real estate development and construction services throughout the Chicagoland and Midwestern markets. The firm, established in 1945, has completed more than \$800 million in construction projects, and has orchestrated the development of more than four million square feet of commercial and industrial real estate.
