**THE MISSNER GROUP SELECTED AS GENERAL CONTRACTOR
FOR COMPUSA RENOVATION IN CHICAGO**

CHICAGO – The Missner Group is pleased to announce that the firm has been selected as the general contractor for the renovation and expansion of a 32,000 square foot existing retail location for CompUSA/Systemax located at 2500 N. Elston Avenue in Chicago, Illinois.

CompUSA is a leading retailer of computers, high-definition televisions and electronics. The renovation of the existing building will include development of a new showroom, offices and applicable support facilities. In addition a complete overhaul of all mechanical and electrical systems will be completed as well as a redesign of the exterior of the building to reflect the CompUSA image and corporate identity.

The Missner Group's Drue Stoehr is the project manager. Sara E. F. Gensburg is providing architectural services. The project is scheduled for completion May of 2010.

The Missner Group, headquartered in Skokie, Illinois, provides comprehensive and integrated real estate development and construction services throughout the Chicagoland and Midwestern markets. The firm, established in 1945, has completed more than \$800 million in construction projects, and has orchestrated the development of more than five million square feet of commercial and industrial real estate.
