**THE MISSNER GROUP COMPLETES INDUSTRIAL RENOVATION
FOR MAJOR PREMIUM LIQUOR COMPANY**

(Skokie, Ill.) – The Missner Group is pleased to announce that the firm has completed extensive renovations to an 800,000 square foot distribution/warehouse facility utilized by the world’s leading premium drink business operator, Diageo, in Bolingbrook, Ill. Colliers International and ING selected The Missner Group as the general contractor.

Headquartered in London, Diageo trades in approximately 180 markets and employs more than 20,000 people around the world. Diageo’s Bolingbrook facility is located at 1704 Remington Blvd. and features 30’ clear height, 150 dock positions and the capacity to store three million cases of liquor. The Missner Group was hired to complete a 10,200 square foot office renovation, lighting upgrades and the build-out of a modular shipping office. Additional renovations included the installation of forty-five truck chargers, epoxy flooring, a dock-safety communication system, eye wash stations and an emergency shower as well as a new air compression system with hose reels.

Glen Missner, Principal of The Missner Group oversaw the project while the firm’s Jess Knigge, Vice President and Senior Project Manager led the construction efforts. Harris Architects provided the architectural services. Melissa Powell of Colliers International and Andy Lowe of ING were integral in the construction management process.

The Missner Group, headquartered in Skokie, Illinois, provides comprehensive and integrated real estate development and construction services throughout the Chicagoland and Midwestern markets. The firm, established in 1945, has completed more than \$800 million in construction projects, and has orchestrated the development of more than four million square feet of commercial and industrial real estate.
