**THE MISSNER GROUP SELLS OFFICE CONDO IN NORTHBROOK  
TO ARCHITECTURAL FIRM**

(Skokie, Illinois) – The Missner Group has completed the sale of 3,350 square feet of condominium space to Sara E.F. Gensburg, Ltd. at 105 Revere Drive in Northbrook, Illinois. The sale is valued at approximately \$424,800.

Established in 1986, Gensburg is a full service architectural firm that serves the Chicagoland area. The company provides construction documents, permit drawings, building code evaluations, measured drawings of existing conditions, and promotional material.

Located at 105 Revere Drive, the 17,500 square foot, single story, multi-tenant office property has been repositioned for sale to end-users as office-condo space. The Northbrook offices are located within close proximity to Interstates 294 and 94. Gensburg selected the condo due to its ideal location on Revere Drive, its ample parking and newly improved landscaping.

The Missner Group is a full-service construction firm with extensive experience coordinating the design and construction of distribution, office, commercial, and healthcare facilities. Established in 1945, the firm has completed more than \$800 million in construction projects, and has orchestrated the development of more than five million square feet of commercial and industrial real estate.
