ANDERSON JOINS THE MISSNER GROUP AS PROJECT ENGINEER

(Skokie, Illinois) – The Missner Group is pleased to announce that Dayne S. Anderson has joined the development and construction firm as project engineer.

In his new capacity with The Missner Group, Anderson will be directly responsible for preparing estimates and proposals; he will purchase trades; draft and negotiate trade contracts; coordinate field activities; coordinate shop drawings; and manage design related issues. Anderson will assist The Missner Group on its growing project list and successful expansion into several key new markets.

Anderson was previously employed with Skender Construction Company as a project engineer. He received his Bachelor of Science degree in Civil Engineering from the University of Illinois at Urbana-Champaign. Anderson is currently a resident of Chicago.

“We are excited to have Dayne as a member of The Missner Group,” stated Glen Missner, principal of the firm. “We are certain he will make significant contributions to our organization as well as bring value to our clients, subcontractors, and field personnel.”

The Missner Group, headquartered in Skokie, Illinois, provides comprehensive and integrated real estate development and construction services throughout the Chicagoland and Midwestern markets. The firm, established in 1945, has completed more than \$750 million in construction projects, and has orchestrated the development of more than four million square feet of commercial and industrial real estate.
