THE MISSNER GROUP TO BUILD STRIKING NEW MEDICAL OFFICE FACILITY IN BURR RIDGE

(Skokie, Illinois) – The Missner Group is pleased to announce that the firm has been selected as the design/builder for a new three-story, 104,000 square foot speculative medical office center in Burr Ridge, Illinois. The new Burr Ridge Medical Center will be located at 6800 North Frontage Road in Burr Ridge, Illinois.

The Missner Group was selected for the high-end medical development by the project owner, Blackrock Medical Corporation. Blackrock Medical is an international healthcare development and management company dedicated to transforming the healthcare landscape. Founded in 1982 by Dr. Joseph Sheehan, Blackrock Medical was established to develop state-of-the-art medical facilities in Ireland designed to improve the quality of medical care and increase the availability of high-tech medical equipment and rapid surgical advances. With several successes in Ireland, Blackrock Medical has plans to continue its developments throughout Continental Europe and the United States including sites in Lisbon, Portugal; Paris, France; Warsaw, Poland; and Chicago, Illinois in the United States.

The new facility for Burr Ridge features a dramatic three-story glass atrium situated over a reflective pond that provides a modern and professional image to the building. All doctor suites will be accessible from the atrium. The building is capable of including offices and examination rooms as well as X-ray, MRI, and hydro-therapy facilities. The Missner Group has completed numerous medical projects all of which are strategically designed to meet the stringent needs of the medical community. In addition, the design/builder also includes specially engineered mechanical, electrical and plumbing systems and creates flexible space to adjust to changing technological and staff needs

Burr Ridge Medical Center is scheduled to break ground in April of this year with a completion slated for early 2009. Barry Missner, principal of the The Missner Group, is the executive for the project. Timothy Geisler and Jess Knigge are the project managers for the firm. Heitman Architects, Inc. is providing the architectural services.
