**THE MISSNER GROUP COMPLETES CONSTRUCTION AT CORPORATE LAKES I IN LISLE**

(Lisle, IL) – The Missner Group is pleased to announce the completion of the capital improvement project at Corporate Lakes I within Corporate Lakes Business Park situated along the Warrenville Road corporate corridor.

Corporate Lakes I is a 78,000 square foot professional office building located at 2525 Cabot Drive, in the heart of the I-88 high-tech market. The Missner Group acquired the property in 2005, and immediately began a capital improvement plan which included construction to the common areas of the property. Renovations included new carpeting and fresh paint to the corridors, lobbies and elevators, and esthetic enhancements within the atrium of the office building. The three-story Corporate Lakes I property presents a high-end professional image with a lake setting, extensive landscaping, and outdoor walking/running paths. The facility offers units between 2,500 and 10,000 square feet, and features an on-site daycare. Corporate Lakes Business Park is among DuPage County's most luxurious and spacious corporate developments and lies within the largest employment base in the area.

The Missner Group, headquartered in Skokie, Illinois, provides comprehensive and integrated real estate development and construction services throughout the Chicagoland and Midwestern markets. The firm, established in 1945, has completed more than \$750 million in construction projects, and has orchestrated the development of more than four million square feet of commercial and industrial real estate.
