**THE MISSNER GROUP COMPLETES FOUR LEASE EXTENSIONS IN DEERFIELD**

(Skokie, IL) – The Missner Group is pleased to announce that the firm has completed four lease extensions at the Deerfield Professional Plaza in Deerfield, Illinois.

Located at 720 Osterman Avenue, the 19,000 square foot, three-story, multi-tenant professional office facility is leased to a variety of physician practices and medical related firms. Three of the recent lease extensions were completed with the dental offices of Dr. Carol Lockwood, Drs. Jarosz and Valente, and Dr. A.J. Crowley. The Missner Group represented both tenants and ownership in these lease transactions. In the fourth contract, Advocate Medical Group signed a lease extension at the facility. The Missner Group represented ownership and Gary Fazzio of CB Richard Ellis represented the tenant.

The Missner Group developed the Deerfield Professional Plaza from the initial residential land acquisition and proceeding through all phases of construction. This well-conceived three-story, multi-tenant professional center is strategically designed to meet both the stringent demands of the medical community and Deerfield's standards for planned-unit development. The property features a high parking ratio, and additional plumbing, electrical and ventilation work. As this building was created primarily for the smaller user, floor plans are configured with conveniently-shorter hallways.

The Missner Group, headquartered in Skokie, Illinois, provides comprehensive and integrated real estate development and construction services throughout the Chicagoland and Midwestern markets. The firm, established in 1945, has completed more than \$750 million in construction projects, and has orchestrated the development of more than four million square feet of commercial and industrial real estate.
