BOGE JOINS THE MISSNER GROUP AS PROJECT ENGINEER

(Skokie, Illinois) – The Missner Group is pleased to announce that James M. Boge has joined the development and construction firm as project engineer.

In his new capacity with The Missner Group, Boge will be directly responsible for preparing estimates and proposals; purchasing trades; drafting and negotiating trade contracts; coordinating field activities and shop drawings; and managing design related issues.

“We are pleased to welcome James to The Missner Group,” stated Glen Missner, principal of the firm. “We are confident that he will make a valuable contribution to our team and provide expertise and dedication to our clients, subcontractors, and field personnel.”

Boge was previously employed with Kenneth James Builders in Northbrook, Illinois where he served a variety of construction and service roles both in the field and office. He received his Bachelor of Science degree in Engineering Technology with an emphasis in Construction Management from Western Illinois University. Boge is currently a resident of Lake Zurich, Illinois.

The Missner Group, headquartered in Skokie, Illinois, provides comprehensive and integrated real estate development and construction services throughout the Chicagoland and Midwestern markets. The firm, established in 1945, has completed more than \$800 million in construction projects, and has orchestrated the development of more than four million square feet of commercial and industrial real estate.
