**KOSKO JOINS THE MISSNER GROUP AS
VICE PRESIDENT OF PROPERTY MANAGEMENT**

(Skokie, Illinois) – The Missner Group is pleased to announce that Dennis Kosko (59) has joined the development and construction firm as vice president of property management.

In his new capacity with the firm, Kosko will be directly responsible for the property and asset management functions for The Missner Group portfolio. He will oversee the day-to-day operations of the portfolio, insurance management, and tax management. Kosko has also been tasked with developing a new budgeting system for the property management side of the business.

“We are excited to welcome Dennis on board,” stated Barry Missner, principal of the firm. “His analytical expertise and management background will significantly contribute to our ever increasing investment activities.”

Kosko was previously employed with Heartland Commercial, Inc. in Westmont, Illinois where he served as the director of leasing and management. Prior to Heartland, Kosko served as vice president for The Crown Group in Hoffman Estates, Illinois. He received his Master’s in Business Administration from Ohio State University in Columbus, Ohio and holds a Bachelor of Science degree in Chemical Engineering from Ohio University in Athens Ohio. Kosko currently resides in Hoffman Estates with his wife Mary. They have two grown children, Brian and Amy.

The Missner Group, headquartered in Skokie, Illinois, provides comprehensive and integrated real estate development and construction services throughout the Chicagoland and Midwestern markets. The firm, established in 1945, has completed more than \$800 million in construction projects, and has orchestrated the development of more than five million square feet of commercial and industrial real estate.
