CHICAGO – The Missner Group is pleased to announce that the firm has been selected as the general contractor for a new First American Bank branch at 4500 S. Pulaski in Chicago, Illinois.

The new 4,000 square foot project, located in Chicago’s Brighton Park neighborhood, will feature a dramatic curtain wall, executive offices, work pool areas, conference rooms, and teller stations in addition to drive-up banking facilities.

“We are very pleased to add the new Chicago First American Bank to our portfolio,” said Glen Missner, principal of The Missner Group. “The Missner Group has enjoyed a long and successful history with First American - having completed additional banks in Bolingbrook, Geneva, Glen Ellyn, Glenview, Joliet and Niles, Illinois - and we look forward to our continued relationship.”

The new branch project is scheduled for completion in the first quarter of 2006. The Missner Group’s Jess Knigge is the project manager overseeing construction, and Bill Stransky is project superintendent.
