**THE MISSNER GROUP TO BUILD OUT CORPORATE OFFICES FOR SUN BELLE INC.**

(Skokie, Illinois) – The Missner Group has been selected as the general contractor for a significant retrofit to a 52,000 square foot warehouse located at 4545 James Place in Melrose Park, Illinois. The firm is relocating its corporate headquarters space to this facility from Schiller Park, Illinois.

Established in Washington D.C. in 1986, Sun Belle Inc. is a nationally recognized importer and distributor of fresh produce. The company represents foreign growers to U.S retailers and foodservice distributors. The Missner Group was selected by Sun Belle to complete interior renovations to the Midwest's regional location. The project will include approximately 8,500 square feet of new corporate offices as well as a new refrigeration system, cold storage and cooled staging areas for loading and unloading trucks. Construction is scheduled for completion at the end of November.

Glen Missner, principal of The Missner Group, is the executive involved in the project. Jess Knigge, senior project manager, and Jim Boge, project engineer, are leading the construction team for the firm. Sara E.F. Gensburg, Ltd. is providing the architectural services.

The Missner Group, headquartered in Skokie, Illinois, provides comprehensive and integrated real estate development and construction services throughout the Chicagoland and Midwestern markets. The firm, established in 1945, has completed more than \$800 million in construction projects, and has orchestrated the development of more than four million square feet of commercial and industrial real estate.
