TRUTY JOINS THE MISSNER GROUP AS PROJECT ENGINEER

(Skokie, Illinois) – The Missner Group is pleased to announce that Bill Truty (22) has joined the development and construction firm as project engineer.

In his new capacity with The Missner Group, Truty will be directly responsible for preparing schedules, budgeting, and performing job site work. He will also actively participate in the design/build process with the owner, architect and engineer on a broad range of projects.

“We are pleased to welcome Bill to The Missner Group on a full-time basis,” said Glen Missner, principal of the firm. “For the past three years, Bill worked as an intern while on summer break from Purdue University. His enthusiasm, professionalism and knowledge were clearly evident. He will surely lead The Missner Group to further success.”

Truty is a recent graduate of Purdue University in West Lafayette, Indiana where he received a Bachelor of Science degree in Building/Construction Management. He played Big Ten football while at Purdue and is a member of the John Purdue Club. Truty currently resides in Niles, Illinois.

The Missner Group, headquartered in Skokie, Illinois, provides comprehensive and integrated real estate development and construction services throughout the Chicagoland and Midwestern markets. The firm, established in 1945, has completed more than \$750 million in construction projects, and has orchestrated the development of more than four million square feet of commercial and industrial real estate.
